- ▶ Does racial discrimination exist in the labor market?
- ▶ Controlled experiment (field experiment):
  - ▶ Researchers sent out resumes of fictitious job candidates to potential employers

# Racial Discrimination in Labor Market

Marianne Bertrand and Sendhil Mullainathan (2004). "Are Emily and Greg More Employable than Lakisha and Jamal? A Field Experiment on Labor Market Discrimination" *American Economic Review*, Vol. 94, No. 4, pp. 991–1013

- ▶ Does racial discrimination exist in the labor market?
- ▶ Controlled experiment (field experiment):
  - ▶ Researchers sent out resumes of fictitious job candidates to potential employers
  - ▶ Varied only the names of the job applicant

# Racial Discrimination in Labor Market

Marianne Bertrand and Sendhil Mullainathan (2004). "Are Emily and Greg More Employable than Lakisha and Jamal? A Field Experiment on Labor Market Discrimination" *American Economic Review*, Vol. 94, No. 4, pp. 991–1013

- ▶ Does racial discrimination exist in the labor market?
- ▶ Controlled experiment (field experiment):
  - ▶ Researchers sent out resumes of fictitious job candidates to potential employers
  - ▶ Varied only the names of the job applicant
  - ▶ Treatment (independent variable): stereotypically black-sounding names (stereotypically white-sounding names = control)
